There are five teenage main characters in Little Fires Everywhere, which will appeal to adolescent readers, but the novel is mainly about two adult women and the choices they make for themselves and their families Celeste Ng presents the lives of Elena Richardson and Mia Warren in a way that asks

### **Little Fires Everywhere Review Questions different? Why ...**

Little Fires Everywhere Review Questions 1 How would you describe Mrs Richardson and Mia, the two mothers in this novel? In what ways are they different? Why might the former always be referred to as "Mrs" rather than Elena, while Mia is always referred to by her first name? Clearly it is done purposely by the author: how does it shape the
